This agreement outlines the terms and conditions for stud services, including payment, health requirements, breeding procedures, responsibilities of both parties, and legal considerations, provided by a male French Bulldog whose details are listed below and owned by the Stud Owner.

Stud Information:

Name: BluFrenchible's Astro
Color Profile: Lilac Platinum
DNA Profile: Ay/At, co/co, d/d, e/e, Kbr/n

CKC Registration: HQ4036841
AKC DNA Profile :V10075856
Stud Fee: \$2500

Payment and Fees: A non-refundable deposit of \$250 is required to secure the service, with the remaining balance due before breeding.

Breeding Procedure: If the Stud Owner is performing the collection and artificial insemination, the procedure is included in the breeding agreement. Up to two inseminations per breeding cycle are permitted. If a third collection and insemination is required and agreed upon by both parties, an additional price of \$250 per insemination will apply. If the Stud Owner is unavailable to perform the artificial insemination, the Dam Owner must coordinate the procedure with a veterinary professional.

Health Requirements: The dam must be up-to-date vaccinations and have a clean bill of health before breeding. The dam must be free from any known genetic disorders or health issues that could negatively impact the pregnancy or the puppies.

Breeding Requirements, Notifications and Repeat Breeding's : The Dam Owner must notify the Stud Owner immediately upon first sight of menstrual blood or a swollen vulva. In the case the dam fails to conceive or has fewer than two puppies, a repeat breeding will be offered at the rate of \$250 per insemination. The Dam Owner must notify the Stud Owner in writing within 56 days after the first breeding if no pregnancy results from insemination. A veterinarian report of X-ray or ultrasound of the dam at day 56 after insemination is required. The X-ray or Ultrasound must have the Dams name, microchip number and date visible on the document.

Repeat Breeding: If the dam fails to conceive on the return service, the Dam Owner agrees to run a vaginal culture on her next heat to receive a third stud service. If the dam fails to conceive a third time, this Agreement is terminated unless otherwise agreed upon by both parties.

Stud Credit: In case a stud credit is issued, it can be used at any time in the future on any French bulldog owned by the Dam Owner, if the stud is in good health and able to provide a collection. The stud credit/service cannot be resold or transferred without the Stud Owner's consent.

Backup Stud and Unforeseen Circumstances: The Dam Owner is responsible for securing a backup stud if the original stud's semen specimen is unavailable due to unforeseen circumstances. The Stud Owner is not liable for costs if this occurs. The Dam Owner agrees to monitor shipment tracking and contact the shipping company in case of a shipment delay.

Dam Owner Responsibilities: The Dam Owner agrees to provide proper prenatal and postnatal care for the dam and the puppies and is responsible for all costs associated with prenatal care, whelping, and raising the puppies.

Stud Service Agreement

Semen Shipping: In the event the Dam Owner requires shipping, the Stud Owner will provide two collections of semen shipping on an overnight/priority service. The Dam Owner must provide constant communication and provide the Stud Owner any requested information in a timely manner. The Stud Owner will add Caniplus Lt extender and provide chilled shipping at no additional charge. Additional shipments will be accommodated and charged at the Stud Owner's discretion.

The Stud Owner is not liable for damages due to any problems related to shipping, including but not limited to, damage or loss of semen during shipping, delays caused by shipping companies, or any other unforeseen issues that may arise during the shipping process. The Dam Owner is responsible for monitoring the shipment tracking and contacting the shipping company in case of a shipment delay.

It is the responsibility of the Dam Owner to ensure that the semen is handled and stored properly upon receipt, and any further shipping or handling of the semen is at the sole risk and responsibility of the Dam Owner.

Puppy Sales and Advertising: The Dam Owner agrees not to misrepresent the stud or the puppies in any advertising, marketing, or sales efforts and is responsible for finding suitable homes for the puppies.

Breach of Contract: If either party breaches the terms of the contract, including potential financial penalties or termination of the Agreement, consequences will be specified in writing.

Governing Law and Jurisdiction: This Agreement shall be governed by and construed in accordance with the laws of the jurisdiction in which the Stud Owner resides. Any disputes arising from or relating to this Agreement shall be subject to the exclusive jurisdiction of the courts of that jurisdiction. The parties hereby consent to the personal jurisdiction and venue of these courts and waive any objections thereto. The Parties have a right to have this agreement reviewed by an Attorney prior to signing and entering into this agreement.

Non-Disclosure Clause: Both parties agree to keep the terms and conditions of this Agreement confidential. Neither party shall disclose any information contained herein to any third party without the prior written consent of the other party, except as may be required by law or court order. This obligation of confidentiality shall survive the termination or expiration of this Agreement.
